

Job Title - Satellite/Field Engineer/Videographer  
STATION - KTUU

**ABOUT GRAY TELEVISION:**

Gray Television supports local community interests by providing quality television broadcasting and exceptional service in each market we serve. We own and operate leading media outlets in over 50 markets throughout the country – all delivering the news, weather, sports and entertainment that millions of our neighbors count on every day. We are an unmatched broadcast pioneer that keeps getting bigger and better.

We constantly strive for excellence. Through upgrading to the latest technology and seeking new ways to stay on top in our markets, we focus on training and development of the best and brightest employees in the business.

**ABOUT STATION:**

KTUU-TV is an NBC-affiliated television station based in Anchorage, Alaska. KTUU-TV's early beginnings date back to 1953. Over the ensuing decades, the station has built a reputation of excellence as Alaska's most watched news source, producing 22-hours of news and sports content each week on television. Online, KTUU.com has become a digital news leader, and Channel 2's mobile News and Weather applications are on the leading edge of mobile journalism in Alaska. Nielsen Media research shows that Channel 2 News products reach more than 80-percent of the adults who watch local news in a week.
