

Frontier Media USA, LLC dba Juneau Radio Center, Ketchikan Radio Center and Sitka Radio Center is looking for specialized radio talent to join our Team.

NEWS REPORTER in the award-winning News of the North newsroom.

A background in news is essential and other required skills are –

- The ability to think critically while managing in a fast-paced environment,
- To project an appropriate professional appearance and demeanor
- To function in a team environment; and
- To work an established schedule and other hours as needed.

While experience in news gathering is essential, we can provide cross training in radio if your background is in print or television.

STATION MANAGER in our Ketchikan Radio Center location

This position is a hybrid position. We are looking for a self-motivated leader with management experience, salesmanship and knowledge of operations to grow our three stations in Ketchikan, Alaska. A minimum of 10 years of radio experience is mandatory. “Alaska’s First City” is known for its fishing, beauty and its deep history in Alaska.

Other positions available:

TRAFFIC DIRECTOR (experience preferred but not mandatory)

OPERATIONS MANAGER (min. 10 years radio experience)

PROGRAM DIRECTOR (min. 15 years in radio with a minimum of 10 in programming)

DIGITAL SPECIALIST (Digital sales position)

ACCOUNT EXECUTIVE (5 years sales experience a plus)

GRAPHICS DESIGNER (print, web and advertising design experience a plus)

If you are a positive, self-starter, a team player and can work well under a fast-paced environment then Frontier Media is for you. Continue your career or begin a new one in Radio in beautiful Southeast Alaska. For more information please submit your resume to:
