

**Alpha Media - Anchorage, Alaska** is seeking an energetic **On-Air Personality** for the Morning Show on **KBRJ** and Afternoons on **KWHL**, plus production work on both stations. The ideal candidate is a communications professional with a strong background in live local and relevant radio delivered with enthusiasm for informing and entertaining audiences about what is going on in our communities. We are looking for someone who enjoys being part of and actively involved in a community. This job opportunity is well-suited for someone community-oriented with a strong on-air background, a diverse range of skills, and a continued desire to gain such skills through the daily experience of working as an on-air radio talent, an interviewer, and a digital content producer.

**Responsibilities of the position may include:**

- Engage with listeners via phone calls, contests, and social media.
- Broadcast live from remote locations and events.
- Introduces programs and music.
- Reads commercial copy and public service announcements.
- Operate control console.
- Conduct on-air interviews.
- Maintain traffic logs and transmitter readings.
- Evaluates content of music, monitors listener feedback, and recommends appropriate repositioning.
- Conducts on-air interviews.
- May act as Master of Ceremonies for public and/or private events
- Requires creativity, innovation, and original thought in the performance of on-air duties.
- Retains current knowledge of all relevant social media platforms, engages fully in providing, producing, and updating content on all active digital platforms, and shall use social referrals in driving listener traffic to all company social media sites.
- Work with Promotions and Sales departments on creative content.
- Assists in special promotions and programming activities.
- Work with the Operations Manager and Station Consultants to curate music libraries.
- Schedule Station Music Logs via RCS Selector Software.

**Requirements of the position include:**

- A minimum of one year of on-air experience.
- High school diploma or equivalent.
- Excellent written and verbal communication skills.
- Knowledge of all applicable FCC rules and regulations.
- Experience in all Microsoft Office programs.
- Proficient in the use of audio editing software and broadcast equipment.
- Must be a team player and work well with management and staff at all levels.
- Ability to successfully execute station events and remotes.
- Able to relate to the audience and have a strong listener interaction.
- Public speaking skills and ability to interact with listeners and clients in a public setting.
- Excellent problem-solving and prioritizing skills.
- Ability to multitask and handle pressures and deadlines.
- Skilled in the operation of the control board, remote broadcasting, and other related production equipment.
- Be a positive member of a tight-knit team.
- Must be creative and innovative with a strong work ethic.
- Must have a valid driver's license and fully insured personal vehicle.

**Preference may be given to candidates who have the above experience plus the following:**

- Prior broadcast industry experience.

We would love to hear a sample of your work! If you would like to send a demo, attach an audio file, or include the link to your website in your application. If you do not have a website, upload your demo in YouTube and provide the link.
