**Requisition Number:** BROAD014738

Posted: November 15, 2025

Showing 1 location

Fairbanks, AK 99701, USA

### Description

#### **About Gray Media:**

Gray Media, or Gray, is a multimedia company headquartered in Atlanta, Georgia, formally known as Gray Television, Inc. The company is the nation's largest owner of top-rated local television stations and digital assets serving 113 television markets that collectively reach approximately 36 percent of US television households. The portfolio includes 77 markets with the top-rated television station and 100 markets with the first and/or second-highest-rated television station, as well as the largest Telemundo Affiliate group with 43 markets totaling nearly 1.5 million Hispanic TV Households. The company also owns Gray Digital Media, a full-service digital agency offering national and local clients digital marketing strategies with the most advanced digital products and services. Gray's additional media properties include video production companies Raycom Sports, Tupelo Media Group, and PowerNation Studios, and studio production facilities Assembly Atlanta and Third Rail Studios.

#### **About KTVF:**

Comprised of our three Gray-owned stations – KTVF (NBC-affiliate), KXDF (CBS-affiliate), and KFXF (MeTV-affiliate) – our stations have expanded our local news presence in partnership with Alaska's News Source to deliver the most-watched newscasts across the Interior. Together with our audiences across television, streaming, web, apps, mobile, and social, our stations dominate the Interior with the largest media audience of any company in the market. It is our goal to help businesses grow and succeed using our customized marketing solutions across both broadcast and digital media platforms.

#### **Job Summary/Description:**

A Broadcast Control Technician, also known as a Master Control Operator, is responsible for ensuring the technical quality and smooth flow of broadcast content.

Duties/Responsibilities will include (but not limited to):

- Basic data entry.
- Handle timing and playback using automation systems.
- Troubleshoot technical issues that may arise during broadcasts.
- Ensure compliance with standards and regulations, with clear communication and discrepancy reporting.

**Qualifications/Requirements:**

- To become an entry-level broadcast control technician, the typical education requirement is a high school diploma or GED.
